"...behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." John 4:35

November/December 2014

Dear Praying Friends,

Rebecca and I are enjoying our precious little Abigail extremely! Her first two teeth are coming in. She is now sitting up, crawling, standing, making messes, and breaking things; it's great! Please faithfully pray for our family's health, safety, provision, and God's wisdom to help us build a more solid family so we can be used to reach South America with the Gospel.

Here is a picture of Bro. Miguel, one of our preacher boys. He started a new Sunday school class in November. He also preaches in our church and is a zealous soul winner!

God called him to full-time Christian service, so please ardently pray that his life would be used in an extraordinary way.

Below you see one of our mini-buses that we use to bring people to church. They are 15-passenger vans, but we can fit about 25 if the driver is not looking. We are now renting 6. We could fill more, but it is too expensive. We are hoping to raise more support so we can start more bus routes. Please pray that God would provide the funds so we can rent more to bring more and change more to give Him more glory!

Please powerfully pray for our marriage, more money, and multiplied millions marvelously saved and serving the Saviour in South America.

A special thank you to those individuals and churches that graciously sent us gifts for Christmas! We feel humbled by your consideration for our family and ministry.
