Dear all cheerful givers

Happy Christmas Month of December! This month I have been blessed with great opportunities to see many souls saved because of our Christmas soulwinning program together with my sending church in Bangkok, as well as our special visitors from Calvary Baptist Church of Platteville, Wisconsin, USA, and also our mission trip to a Karen ethnic group village at the border between Thailand and Myanmar in Mae Hong Son Province.

This week I have a wonderful Christmas Sunday Service at Hill-Tribe Baptist Church of Chiang Rai at Mae Chan District with Pastor Worachai Phawakul, a local pastor who serve here faithfully in Chiang Rai Province for almost 20 years, and helping me greatly with advice and guideline since I relocated myself to live and serve here in Chiang Rai for almost 3 months. I am so very appreciated him, yet I still need to separate myself to start my own new church plant in Mae Sai City eventually.

After searching for a house for me to rent and build a new church plant, this week I finally officially got it. This house is just 100 meter far from border line of Myanmar in Tachileik City, and located in the middle of the largest Myanmar community in Mae Sai City in Thailand. Sunday service church will start here very soon, please continue to pray for my ministry here at Golden Triangle!
