God Is Working!

September has proven to be an exciting month for us. Nicole, Ricky, and Makayla's mom Vee came to church and trusted Christ during the invitation. Her adult son Chris came the next week to see her get baptized and ended up walking the aisle to trust Christ himself. Both mother and son were wonderfully baptized on the same day.

Two more of Eric and Lisa's children, Brionna and Serenity, have started coming to church. Sandra was able to talk to Serenity about the assurance of her salvation.

The land we have for sale does not have an accepted offer as of yet, so I've authorized a few price reductions.

Our entire family had the honor of having dinner with a veteran missionary couple who had served in Nigeria for nine years. They gave us good advice, and a wonderful time of fellowship was had.

We have filled out the necessary paperwork and paid the required fees for all five of our visas; however, before they are fully processed, we all need to interview in person at either the Nigerian Embassy or one of the two consulates. Our interviews are scheduled for December 14, which was the earliest appointment available in Atlanta, Georgia. Please pray that all five of our visas will be processed in time for the planned January 27 departure.

Praise the Lord, Henry's health has improved.

Thank you for your continued prayers and support.
