“Starting churches and training preachers in the Dominican Republic”

April-May 2024

Beloved Brothers,

It is a pleasure to communicate with you again, to make you participate in the progress of God's work here in the Dominican Republic. My wife and I want to thank the Lord for His great faithfulness in helping us move forward in the midst of trials and challenges that are common in missionary work (1 Corinthians 15:58).

One of the greatest blessings that we have seen lately in the church has been the addition of a family of five people we reached for Christ. They are fruit of the memorial service we held for Sister Mercedes, whom we reached for the Lord while she was exercising near the church building. Sister Mercedes had an irreprehensible testimony, and she went Home to be with the Lord. As a result of that, some of her children and grandchildren have now come to Christ. Please pray for Oreste, Tania, and Oreste Jr. Isidro and for Mrs. Dominicana. Pray also that as a family, they will decide to be baptized.

Another ministry that we have added to our soul-winning time is the parks ministry. Dozens of people have been saved, and thank the Lord, some young people have visited us on Sundays.

Please continue praying for the church that we have started in La Playita, Haina. This month, we have gained several Haitians for Christ. There is a large community of them in La Playita. We are waiting for a missionary to the Haitians who is thinking of working with them.

I am always pleased to report our progress in our investment for mission works. We have taken another family on for support, the Santos family. They will be working in the northern part of the country. We are very grateful to our God for granting us the opportunity to teach our church to invest in the spread of the Gospel.

I also want to ask for prayers on behalf of my beloved wife, who will undergo eye surgery. Please pray that everything will go well.

Once again, we appreciate your prayers and your investment in favor of the lost here in the Dominican Republic.

Prayer Requests:

1. Pray for new believers.
2. Pray for the church in La Playita, Haina.
3. Pray for my wife's health.
