Dear Praying Friends,

Well, it is so nice to be back in the States until mid-October, back where the driving is so much calmer. In Uganda, crazy motorcycle drivers would scrape my truck nearly every week as they went weaving around traffic!

I am so happy to say that I **just hired Pastor Innocent** before we left Uganda. He is from my church in Rwanda and really has a great spirit. He will be a temporary pastor for Kitendi Baptist Church while we are in the States and until the church gets organized better. He is a good soul winner and has been consistently bringing visitors.

He is also continuing to do Bible memorization with the church. I am still preparing each month's verses, and he prints them out and does the six-minute Bible time each service. So far, we have been doing this for almost two years. It is so effective that even **seven-year-old kids can easily quote 50 Bible verses** now.

I just recently uploaded the program to my website at: **MtGerizim.com/Schoof.php**. I want to encourage all pastors to please, please, please take a look at the program. It is a very effective tool for the entire church to memorize the Bible. We started the program in July, and it is also a great time for your church to begin if you choose to use the program.

The website is only a side ministry, because I am still focused on starting radio stations, starting new churches, and training pastors. But I believe that within 10 years, this website will be a huge blessing to local national pastors around the world. It is loaded with basic things that all pastors need. I also host *The Answer Book* from Keith Piper. That book has around 1,500 pages of great sermons and doctrinal notes.

The radio station in Burundi is doing well. **People are getting saved, and many are visiting** the church every week. But there are still many technical things to fix. I am now trying to get them a telephone so people can call in to the radio station. I had to special order a phone link that uses a SIM card but connects to an old-time telephone line.

Here in the States, it has been **so good to see family again**, and we were able to watch our first daughter Hannah graduate from Hyles-Anderson College. I am also thankful for Angela's father, Bro. Warren Storm, who does the Keep the Buses *Rolling* ministry. He really helped us get our motor home fixed and back on the road so we can travel. Thank you so much for your prayers and support.

In His service,

Gregg, Angela, Virginia, Micah, and Zachery Schoof
