MISSIONARIES TO EAST AFRICA

## Personal Testimony

June 2024

My name is Isabella N. Chemnanda. I am the mother of three children. I was born into an immoral family. I grew up with a father that had two wives.

When I grew up, I wanted to know the Word of God. When I was seventeen years old, I was baptized with a lot of water without knowing what baptism was. At that time, I was wondering how I could teach my children how to live as Christians.

I personally grew up knowing that good deeds will get you to Heaven. Then in the year 2023, I started to study the Bible. That is when I learned and I found out that you can have eternal life—you must believe only in Jesus Christ!

We should try to stay away from evil, for that will cause us not to be near to Jesus, and it will make God angry. Read John 3:36.
