

A Word from Our Nationals

June 2024

Pastor Samwel
Oyora, Rongo

Praise the Lord, the ministry is running well! I am busy with soul winning, and one of the praises is that people are getting the Word of God with the proper foundation from our teaching. Last month, we were able to see two people who were drinkers decide to surrender their lives to Jesus. Also, there was a man who was seriously hurt and has a leg problem; he, too, has come to repent and accept Jesus.

The problem we are now facing with the new church plant is that the church has had to meet under a tree every week. Where we were meeting under a blue building has been taken up and put into units; therefore, we are no longer able to use it. Please pray for Oyora Baptist Church, as we desperately need a church building.

Since the Medical Clinic in March, I have seen God doing many things. We are growing spiritually and physically through the preaching of God's Word and because of the clinic that we had. We have new members, and I am praying that God will strengthen our ministry so that we can fulfill the work of God.

God bless you, and thank you.

Here is a most recent update in our church from what God is doing:

1. The church is continuing with its weekly soul-winning program every Tuesday and Wednesday.
2. I proceed with discipleship classes every Saturday afternoon for two hours.
3. Ever since the Medical Clinic, a total of eight new people have proved their commitment and faithfully joined our church!
4. Our floor is still a problem with dust and rocks; we are in need of a cement floor.
5. I am struggling with the arrangements for buying church seats and a table for the increase in attendance of those coming.
6. Am planning to have leadership training for church leaders during the third week of August.

Thank you!
