FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

INTERNATIONAL

In our previous newsletter, we mentioned the studios we are working on. We are thrilled to announce that we have **completed one of the two studios** we have in progress. The studio built in the United States to support the Iran ministry is now finished, marking a significant development for CMI.

Currently, we are in the process of working on a studio in **Ghana, West Africa**, as well as a new one in **Peru**. The Peru studio is a new development for a social media platform.

Last June, we hosted our first successful *Impact Others* Gala in Salt Lake City. We raised enough funds to complete the orphanage in Ghana, West Africa. Bro. Ted Speer was instrumental in raising funds for the orphanage, and we partnered with him to **meet the remaining amount** needed for its completion.

We will be on a trip to one of our partners in Mexico in July. We currently will take a **group of 20** to join us and witness firsthand the amazing work this ministry is doing for the Lord.

We also are seeing so many salvations from the TV ministry and the water boreholes in Ghana, West Africa. Here is one of the converts from the water borehole.

BRAZIL

We are excited to share that in some of the countries where we are not able to air on TV, we have started a huge social media platform. Brazil is one of those countries. Here are the numbers for the social media for May:

- Asking for information about salvation – **201**
- Asking for our church location – **130**
- Other comments – **130**
- Accepted Christ – **93**
- Asking for prayer – **45**

We are currently in the middle of a **40-day revival** in Guyana that started on June 5, 2024. We have already seen a lot of salvations and baptisms.
