The month of July has been a bit of a normal month; but, nonetheless, it has been a busy month! Our Thursday night midweek service keeps growing, and it is turning out to be our family's favorite service of the week. The service has been consistent with our faithful church members, both adults and youth! Our Sunday services have been moving forward as well, as we have seen many new visitors each week, and we have been growing spiritually through the doctrines of the Bible.

This month, our teens finished and graduated from our discipleship program! I'm honored to report that seven of our teenagers have completed all of their studies and graduated from the program!

This month, we had our Saturday youth activity as well, and it was fun watching the teens trying to play football (soccer) with the smallest ball we could find them. At one point, Quincy came up almost crying and asked, "Pastor, can we please play with a bigger ball?" I then laughed and said that they could in the last game! Anyway, we had a lot of fun, and these young men and women keep growing in their walk with the Lord. Pray for them, as we now will begin to teach them over the next few months on how to lead someone through the Gospel on their own.

Lastly, we had a wonderful month out soul winning. One of our teenagers brought his older sister to church on a Saturday while we were preparing for Sunday services. We were able to go through the Gospel with her and watch as she called upon the Lord as her Saviour! We also were blessed to visit one of our other teen's homes and talk to her mother about the Gospel! She, too, came to turn to Christ alone!

Toward the end of the month, we also went to visit a woman who has been visiting our church for about a month now. While at her home, she informed us of some other ladies from the neighborhood who had been interested in the church. I asked if they were around, and before I knew it, there were about eight adults and seven kids all in one room listening as we shared the Gospel with them. It was exciting to hear each woman, one by one, acknowledge that they were on their way to the Lake of Fire for trusting in their own good deeds but were now calling upon God to receive eternal life through Jesus Christ alone! God is so good! To top it all off, it was a blessing to hear how excited Jeffrey was to continue to learn through these moments on how to go through the Gospel with someone himself!

Oh, I almost forgot! We officially put up our church sign this month as well! Our people are very excited that we now have a church sign out by the main highway!

I am witnessing to Lavender, Gyan's older sister.

Jeffrey and Hannah are having fun as they practice some role-playing in their soul-winning class.

Gyan, one of our teens, is translating for me during our Thursday evening service.

Lewis is teaching the youth after church.

This is our New Beginners' Class held during our Sunday school hour.

Our new church sign is up!

Esther graduated from first grade!

These teens graduated from the discipleship program!
