HELP US SOW MORE IN 2024!

SOWING MORE IN PAKISTAN

Thanks for all your prayers. A nominal Christian guy who works in the office of Karachi Port helped us get the Bibles—no charges, no fees. The Karachi Port said that we were not eligible to get them, but God made a way—after 20 months of waiting for them. Thanks for sending them to us.

SOWING MORE IN INDIA

Container arrives and is being distributed in India. Pray for protection for the believers (hostile region), power upon the seed and the sower, and much fruit!
