“Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.” (II Corinthians 3:17)

God is giving LIBERTY to preach the Gospel and give clean water—liberty to reach deep inside Pakistan. The Lord gave liberty to work during June and July 2024. Twenty villages were reached in Pakistan. We saw 170 accept Christ and 15 get baptized, and 4 churches were started. Below are some pictures from our water-purification demonstrations and services in Pakistan.

Other countries that are receiving both waters are Kenya, DRC Congo, Liberia, Uganda, Peru, and Laos. A total of 400 Khlor Gen 3000 systems went into that many villages. That is liberty to preach the Gospel of our precious Lord Jesus Christ to 6 villages a day from July 1 to September 1, 2024.

In the Ivory Coast, Africa, a new church was started two years ago from this water ministry. Pastor Albert says several men had health issues recovered. The church has LIBERTY to reach deep inside a lost nation and shine the love of Jesus.

We are attending an international Pastors' Conference in Peru, which is being hosted by Zach Foust Sr. Pastor Andy Gomez from the First Baptist Church of Hammond (pictured on the right) is one of the speakers. There are 450 pastors in attendance. We will distribute 100 complete water systems while we are here; one of them will be to a Mexican pastor who is a missionary in Cuba.

Pray for the perfect will of God to be fulfilled. The harvest is white now. Pray that God would send laborers. Prayers give liberty where there is none.

Humble to be His water boy,

John Hays
