MISSIONARIES TO EAST AFRICA

Personal Testimony

August 2024

My name is Alice N. Nyakundi,

I am a mother of children. I was born into an immoral family. My father had two wives. When I grew up, I wanted to know the Word of God. When I was twenty-seven years old, I was baptized with a lot of water without knowing what baptism is.

At that time, I was wondering if I would be able to teach my children to come to live as Christians. I personally grew up knowing that good deeds will get me to Heaven.

In 2024, I started to study the Bible, and that is when I learned that you can have eternal life. You must believe in Jesus Christ alone to have eternal life in Heaven with God. I've now done that, so now I try to stay away from the evil that will pull me away from Jesus and anger God.
