THE HESELSCHWERDT FAMILY
MISSIONARIES TO EAST AFRICA

Jeffrey

I was able to go paintballing for the first time, and it was a lot of fun!

Hannah

Mommy and I were able to sing a special together in church!

Esther

I went paintballing and shot my dad—it was AWESOME!

September 2024

Dear Pastors, Friends, and Co-laborers,

It's hard to believe that September has already come and gone. There was not a lot to report this month, but we kept on faithfully serving in the Lord's work here in Kenya, East Africa.

Our church family here at Lighthouse Baptist Church of Acacia keeps on growing, both physically and spiritually! We have had several new visitors attend week after week. We had two of our adults, who have faithfully been attending church, come forward to obey the Lord in believer's baptism. We also had two more teenagers come to put their trust in Jesus Christ alone!

Please continue to pray for several of our teenagers, as they have been studying hard week after week on how to effectively share the Gospel with others. It has been a blessing to see their growth, and we are hoping that next month they will be ready to start putting to practice what they have learned.

We also have a few of our adults who will be graduating from our discipleship class next month. Please be in prayer for the believers here at Lighthouse Baptist Church of Acacia.

Lastly, please pray for the church and our family, as we will be back in the U.S. for a short furlough from November 27, 2024, through January 2, 2025. As always, thank you for your faithful prayers and support.

Your co-laborers for lost souls across East Africa,

The HESELSCHWERDT Family
