MISSIONARIES TO EAST AFRICA

October 2024

Jeffrey

I was excited to start teaching my own class, and I was able to go through the Gospel with someone!

Hannah

It was awesome celebrating Jeffrey and Esther's birthdays!

Esther

Celebrating my birthday!

Dear Pastors, Friends, and Co-laborers,

October has truly been an exciting month here at Lighthouse Baptist Church of Acacia! First, our teenagers, including Jeffrey and Hannah, have worked hard to finish their soul-winning classes. Now the most exciting part is happening Sunday after Sunday this month, that is, they have now put into practice what they have learned. Each Sunday, they have led several people through the Gospel. All in all, we have seen 13 teenagers show that they can lead someone through the Gospel! We are thrilled to see how God is using our youth within the church! Please continue to pray for them; pray that God will give them a lasting desire to keep leading others to Christ!

Second, we were blessed to have one adult, Lourine, and one teenager, Angel, come forward this month for believer's baptism. Then thirdly, Jeffrey approached me this past month and asked if he could possibly teach his own class. Then Hannah asked me if she could teach a class as well. Both Jeffrey and Hannah are now teaching their own classes after the main service while I am teaching the teenagers. Jeffrey is teaching 10- to 12-year-old boys, and Hannah is teaching 10- to 12-year-old girls. I am so thankful for the way God is working in their hearts. I ask that you pray for God to continue working in their lives and using them for His glory!

It has also been a blessing seeing our adults become more faithful and more excited not just about the main service but also about our Sunday school hour! We have been studying through the book of Judges and have competitions and games to go along with our studies! The adults have become just as involved and are excited each week! Praise the Lord for what He is doing here at LBC of Acacia!

Your co-laborers for lost souls across East Africa,
