Personal Testimony

October 2024

Before salvation, I used to believe that works would take you to Heaven, but I came to understand that not just works would take you to Heaven. No works will take you to Heaven. I came to realize that there is a different way that will take you to Heaven. One is to believe and trust in Jesus Christ only because He died for our sins, and whoever believes in Him will have eternal life. Don't be fifty percent with God and still be doing the Devil's work. But be with God forever because you don't know when God is coming back, and if he comes and finds you just with the Devil, He will throw you to the lake of fire. After learning this, I knew that I would go to Hell because I was believing in works, but I learned that if you ask God for forgiveness with a willing heart, He will forgive your sins. One day, He will come for His people.
