It was really cool seeing Turkey on our way to the U.S.

Esther

Seeing the country of Turkey was awesome!

November 2024

Dear Pastors, Friends, and Co-laborers,

The month of November found us planning and packing for our second furlough back to the U.S., as well as making sure everything was in place for our church while we were away. On November 25, we left Kenya for Detroit, Michigan, and we will be in the States until January 2, 2025.

During this month, it was exciting to watch Jeffrey, Hannah, and our teens continue to witness to one person after another after our church services. It was a blessing standing in the back of our little church building on the last Sunday of the month looking over the room full of people and realizing that our teens have taken the time over the last month to witness to everyone within the church. Due to their zeal to share the Gospel with everyone who comes to church, we have been blessed to see several adults, youth, and children come to Christ.

This month, we also were honored to award several people with their own Bibles with their names on them. We also witnessed one youth come forward for believer's baptism.

Lastly, we had fun with our youth by taking them out for a day of bowling and pizza to celebrate all of their hard work from our soul-winning classes. We had a good time of fun and fellowship. Please continue to pray for the youth of our church as they serve the Lord.

Pray for Lighthouse Baptist Church of Acacia while we are away. We have two missionaries filling in for us while we are away during the month of December. Thank you all for your continued prayers and support. We hope you all had a Merry Christmas and a wonderful New Year!
