

## *James Belisle Missionary Evangelism Unto the World*

Dear Friends,

December 24, 2024

As I close out the year, I want to thank each of you for your faithful prayers and financial support. This year, I was once again able to take 9 trips to 9 different countries. Your prayers and financial support were what made all of these trips a reality.

**Jamaica in February:** Linda was able to come with me as I visited Missionary Oral Anderson and his family. During my stay there, I ministered to his church family in his regular service. I was the speaker for their Valentine Banquet as well.

**Philippines in March and April:** I preached for one Filipino pastor and 4 missionaries. I also visited with another 3 missionary families. I traveled a total of 20,000 miles on 12 flights and 1 boat ride to 6 locations in 2 weeks. **I saw at least 6 saved and baptized.**

**Guatemala in May:** I was with Missionary Angel Lopez and his wife Noemi. I preached a revival in a nearby city, where Bro. Lopez plans to see a church started. I also preached in his regular services. **At least 3 people got saved.**

**Puerto Rico in May:** During my time in Puerto Rico, I drove over 700 miles so I could visit 3 missionaries: **Missionary Roberto Tirado, Missionary Jerrod Montgomery, and Missionary Luis Martinez.**

**Mexico in August:** I took 2 trips to Mexico in August. I preached for Missionary Chris Sage in the city of **Yurecuaro**. He and his team had been helping a new church plant for 9 weeks. They asked me to preach the last Sunday they were at the church. **We saw 40 attend each service, with 3 getting saved.** I was able to visit the facilities of Missionary Luis Ramos and then preach for Missionary Sam Robles at his Missions Conference. **I was told that 9 souls got saved during the meetings and that the church committed to doubling their giving to missions.** On my second trip to Mexico, I was with Missionary Jonathan Bryan in Zacatecas. I preached his Missions Conference and visited in another church he helped establish.

**Gabon in September:** I preached at 2 churches established by Missionary Fisa Mihi-Mihyindu. Fisa is originally from Gabon and went back there after living in the USA for 19 years. It was a blessing to go soul winning (and see folks saved) with Fisa and his people. They are zealous for souls.

**Argentina and Uruguay in October:** I was with 5 different missionaries, 4 in Argentina, and 1 in Uruguay. I preached for Ben George at his new church he had just started in September. I taught at Bethel Baptist Seminary and preached at Bethel Baptist Church for Larry Owens. Brian George helped me out by interpreting many sessions and messages for me. I then preached the anniversary service for Joshua Owens in the city of Termas. There were **300 in attendance, with at least 20 receiving Christ as their Saviour.** I also visited Tim Simmons. He and his wife and family will be starting a church soon.

**Nigeria in October:** I preached at a Soul-Winning and Leadership Conference in Port Harcourt. This conference was hosted by Missionary Dave Maskey. I visited with another 3 missionary families as they honored me on my birthday.

I finished the year by helping and participating in our church's Live Animal Christmas Show. **We saw over 5,000 people attend the 10 showings in spite of an ice storm on the Saturday we had 3 showings. Hundreds were saved through this ministry.**

May you have a Merry Christmas and a Happy New Year. Please pray for my 2025 schedule, which already includes 4 trips.

Your servant,
