“But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door; pray to the Father which is in secret; and thy Father which seeth in secret shall reward thee openly.” (Matthew 6:6)

Please join me in praying. My prayers are in my closet. My prayers are to my Father. My prayers are secret. My Father sees my prayers, and my prayers are rewarded. My Father is rewarding me openly. He gives drinking water, hope, joy, purpose, peace, and joy to those who are asking Him for drinking water. I cannot find them. I cannot share my intense, heart-stopping, tear-filled prayers, but I can share with you the rewards He is showing openly.

There were 1,800 Klor-Gen water-treatment systems distributed in 2024, mostly to villages, which is about 5 a day. Church plants were started, numerous people saw health improvements, many Gospel presentations were given, and many salvation decisions were made, all showing God's answered prayer. Below are a few firsthand testimonies from Sierra Leone, Togo, Benin, and Pakistan:

Update on 2024 Distribution of Chlorine Generators in Three West African Countries

Sierra Leone Update:

I was able to distribute 17 chlorine-generator units to 5 churches through Pastor Solomon Gorive and Pastor David Brooks, our graduate. The chlorine units make it very easy to win people to Christ, especially Muslims, because most people have health problems. They were able to win 371 people to Christ, and 312 of those got baptized and are part of their various churches. Many got some physical healing from many types of waterborne diseases. Four powerful new preaching points have also been established. I'm praying for God to provide more machines for them.

Togo Update:

From Pastor Dominic: “There are 57 Baptist churches in Togo that have benefited from the chlorine-generator units. The data from the 57 churches for the souls won for Jesus Christ in 2024 is about 1,531 souls, of which 1,369 people are now members of these churches. About 367 are from Muslim backgrounds. Praise God for this, Bro. Hays!”

They also have 31 active evangelists who have been preaching every Sunday. Continue to pray for God to provide us with more machines.

Benin Update:

We have 37 churches that have benefited from chlorine-generator units in 2024. The total number of souls won to Jesus Christ was 1,671. There were 743 people who were baptized and joined these churches. We were unable to count the number of people who received physical healing from different types of diseases. According to Pastor Dominic, who helps me in ministering to the French-speaking country, has helped me to organize these reports from Togo and Benin.

Pioneer Basic Academy (PBA) Ministry – Kumasi, Ghana

Using the chlorine water in my orphanage has been a very big blessing for the kids. There has been no malaria, no fevers, or rashes that cause me to have to spend money in the hospital. So, I am thankful for this wonderful opportunity.

Pakistan Blessings

- We distributed 25 systems.
- We saw 170 accept the Lord Jesus Christ.
- We baptized 30 new converts.
- We saw 4 new churches planted.

Hallelujah! Please pray for more lost souls to get saved.

I am 100 percent broken, consumed, and burdened beyond words for the lost, poor, and needy people around the world. Pray for more doors to open so that we can give the Gospel of the Lord Jesus Christ any place at any time at any cost.

His water boy,

John Hays
