## MISSIONARIES TO EL SALVADOR

April 2025

Dear Praying Friends,

Thank you for all your support and prayer. Coming up in June, we will have been in El Salvador for one year. It went very quickly. We are thankful for how the Lord has provided for us and blessed us in many ways.

We recently took a trip back to the United States to finish up the last couple of meetings we had booked. We had a wonderful time being a part of two Missions Conferences and one Sunday meeting. We are thankful for new prayer partners and new friendships. We were also able to spend some time with Megan's parents and siblings. The boys enjoyed spending time with their grandparents one more time before heading back to El Salvador.

Update on Raising Money for Our Van: We are currently at \$18,000, and we are incredibly grateful for your sacrificial giving. Please help us pray that we can find a good van for the ministry!

We have some more exciting news: we are expecting our fourth baby! After having three boys, we are getting our little girl. Will you be in prayer for a few things? We had some testing done and got some results we were not expecting. Currently, we will be seeing a genetic doctor here in El Salvador in hopes of getting the care my wife and daughter will need. We have a lot of unanswered questions that we know God can take care of. Please help us pray that we will be wise in choosing where our daughter should be born.

Finally, I would like to say I got to lead a new visitor to Christ this Sunday! His name is Stephen. He had very good questions while I was giving him the Gospel. I am thankful he chose to accept Christ as his Saviour!
