

the WYATTS Tanzania

Dear Pastor & Friends,

May/June 2025

New Building

We are thrilled to share that our new building is nearly complete and was ready just in time for a special opening on Easter Sunday! This beautiful space includes classrooms, a nursery, a kitchen, and office areas. We are truly grateful for how the Lord has provided every step of the way, and we're excited to see how He will use this new facility to further His work. Please continue to pray with us that this building will be a place where lives are touched and the Gospel is shared.

Teen Camp

Teen Camp this year was a powerful and unforgettable time, with over 60 teens from both our Swahili and English ministries coming together under the theme "Golden Disciples," drawn from the truth of coming forth as gold through trials. God truly did a mighty work in hearts, and we rejoice in the many spiritual decisions that were made throughout the week. We are especially thankful for the team from Victory in Grace Baptist Church in Iowa, whose partnership was a tremendous blessing in helping us run the camp. Please continue to pray for these teens as they grow in their walk with the Lord and seek to live as true disciples for His glory.

Easter

We had a wonderful Resurrection Sunday, beginning with a special English service, which was well attended, as we reflected on the power of the risen Christ. Following that, our Swahili services continued the celebration, with hearts stirred by the message that "The Resurrection Changes Everything." It was a blessing to see over 700 people, across the different services, gathered together and united in praising our Saviour.

Soul-Winning Story

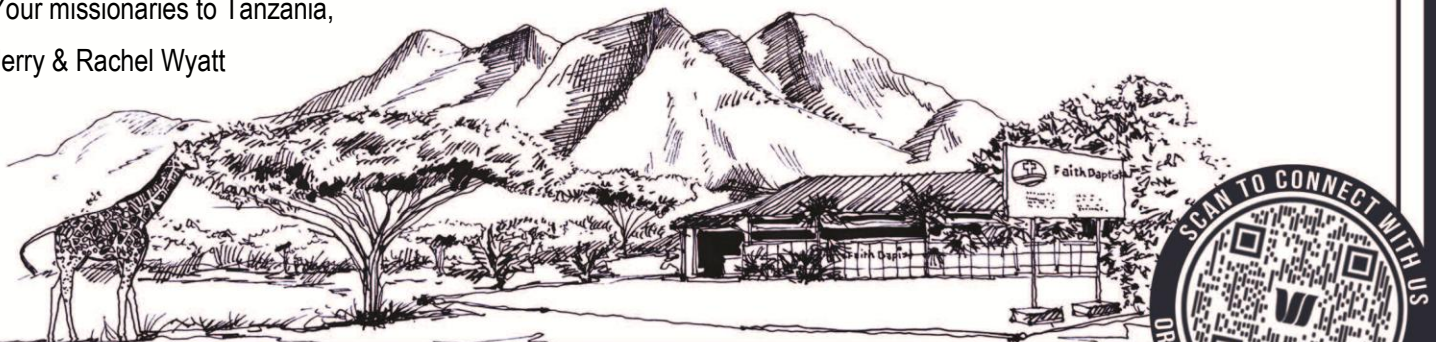

While I was in Dar es Salaam, I needed to go to a store, so I used an app to call a *Bajaji* ("three-wheeled taxi"). On the way there, the Lord pricked my heart to witness to the driver. When we arrived at the store, he was still not ready to make a decision, so I told him to think on it, and when I returned, we would talk more. On our trip home, I continued to share the Gospel with him. Once we arrived back, I asked him again, and this time he was ready to accept Christ as his Saviour. Praise the Lord!

Permits

Please be in prayer with us, as we have submitted our applications for work permits and resident visas. These permits are essential for us to remain in Tanzania and continue the ministry. We are trusting the Lord for His perfect timing and provision, and we appreciate your prayers for favor and a smooth approval process.
