Missionaries in Lima, Peru

April 2025

Dear Friends and Supporting Churches,

How is it already April? Time is flying, and it's hard to believe we're already a quarter of the way through 2025. These past few months have been full of growth, outreach, and some exciting new steps forward. Thank you for being a part of it all.

Over the last couple of months, we've sent out a few video updates about what God is doing here. In case you missed them, we've included them again with this letter. We hope they'll encourage your heart as you see the fruit of your investment in missions.

Our studio continues to produce and share Gospel content across Latin America. **In 2024, we saw more than 10,000 people write to us telling us they had accepted Christ, and the content we produced reached over 4 million viewers with the Gospel message.** Praise God for how He's using media to break through barriers and bring truth into lives and homes! We've recently begun creating country-specific content for Cuba and Ecuador, and we're already seeing fruit. Soon, we'll begin pushing the Gospel message through paid advertisements on social media in those regions, and we're excited to announce that we're also preparing to expand into several more countries this year. Please pray with us for open doors, the right partners, and continued fruit as the message goes out.

Our church here in Lima continues to grow. **We're now averaging 110–120 people each week**, with families coming from all over the city. God is doing something special here, and we're grateful to see lives being changed and people getting grounded in the Word. Please pray with us as we search for a permanent building. We're currently exploring some possibilities, but we need wisdom, clear direction, and financial provision to move forward. **If you'd like to hear more about this opportunity and how you might be involved, we've included a short video that explains the current situation and our vision for the future.**

We're thankful beyond words for your prayers, encouragement, and support. Please continue to pray for strength, wisdom, and favor as we press forward in both the church and studio ministries. God is at work, and we're honored to be in this together with you.

In Christ,

Josh, Heather, and Joseph Hedderman
