Special Update

OPPORTUNITY!

Dear Supporting Churches and Partners:

We have a great opportunity to further the Gospel through media here in Ghana and West Africa:

*****An FM frequency AND a digital satellite TV channel are being made available by the government for a price far less than any estimates we have gotten previously!*****

We currently preach for two hours a week on radio stations where we rent time. We also are on the TV for one hour per week. We get reports every week of people being saved through these programs; people have been added to our church, our daughter churches, and to our Bible college because of these programs. **We need to have that kind of influence 24/7!** The Ghanaian people love to listen to religious programming, both on radio and TV. These programs would be accessible to multiplied millions of people throughout Ghana and West Africa!

This opportunity is time-sensitive. We need to act quickly to secure the rights to these channels. That will require \$55,000. Then we will need to raise an estimated \$75,000 to purchase the necessary tower, transmitter, and equipment for the radio. In all, we believe **\$130,000 is needed for us to get this station up and running.**

Our time to act is limited. **We are asking you to please consider helping with this need, and we are asking you to pray!** May the Lord provide, and may millions be reached with the Word of God as a result!

In order to give, please visit www.fbmi.org/give. Under "Fund," start typing *Ghana* and select "Ghana Special Projects 6180." Under "Note," simply type *Radio-TV* and follow the instructions on screen. Checks may be sent by mail to FBMI, 507 State Street, Hammond, IN 46320. In the memo section, write "Ghana 6180 Radio-TV."

Please email me at tspreader@gmail.com to let me know a donation is on its way or if you have any questions about this opportunity. I hope you enjoy these photos from our media ministry.

- (1) Our staff men are preaching on the radio.
- (2) Churches have been started because a pastor saw us on TV and enrolled in our Bible college.
- (3) This man was saved, baptized, and joined our church because of the radio ministry.
- (4) This Muslim lady trusted Christ after hearing the Gospel on our TV broadcast.

Yours for souls,
