March 2025

Dear Pastors, Friends, and Co-laborers,

Between what God is doing through Lighthouse Baptist Church of Acacia and all of the preparations that went into making our first month of PPTA (Pastors' Practical Training Academy) happen, it seemed like the month of March was over before I realized it even began! Even though it went very fast, we do want to praise the Lord for what He has done through our ministries this month!

When it comes to LBC of Acacia, we have seen several new visitors. This is due to many of our teenagers getting excited about trying to win a monthly prize for having the most visitors for each month. One of our teen ladies has brought several guests, and we have been able to meet with these first-time visitors after the services and take them through the Gospel. It has been a blessing to see some of these first-time visitors come to put their trust in Jesus Christ alone for salvation. This same teenage girl has also been able to take some of these first-time visitors through the Gospel and lead them to Christ herself! We are very thankful for what God keeps doing through His church here in Acacia, Kenya, and through the youth that He has entrusted us with!

We also have had a few adults get on board with our discipleship classes, and they have been studying hard to learn more about the truth in God's Word. Through our discipleship classes, we have been able to witness spiritual growth week by week. Lastly, in regards to the church, we had a great time with our youth on their youth day, which we do one Saturday a month. We were able to play some volleyball, and then after having some fun, we were able to study God's Word together!

This month, we started our next PPTA program. We had a possibility of 50 men coming, as that is how many verbally committed. When it came time to start classes on Tuesday, we ended up with 24 men in attendance. We had a great first week in our PPTA program with this group of men from across Western Kenya. They have teachable spirits and have already testified about how much they have learned over this first month of training. Please continue to pray for this group of men as they strive to know the Word of God and how to better teach their own people back upcountry. Both Bro. Peter Morris and I are excited about and looking forward to what God is going to do through each one of these men.

Thank you as always for your faithfulness in support and prayers. Thank you for having a part in what God is doing here in Kenya, East Africa! Thank you and God bless.

Your co-laborers for lost souls across East Africa,

One of our youth is witnessing to another lady who came to church.

Ali is leading the children in some songs during our Sunday school time!

Bro. Peter Morris is teaching during PPTA.

Lewis and I are having discipleship class with Wakio. Wakio recently came to put her trust in Jesus alone and is now meeting every week for discipleship.

The youth and our family are out inviting others to church, as well as sharing the Gospel with those we can!

This is a group picture from our PPTA!
