

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

May 2025

Dear Supporting Churches and Praying Friends,

Thank you once again for your prayers and support as we endeavor to bring much fruit to your account! We are encouraged to see how the Lord has helped us in our ministry and protected us on the road. We praise the Lord for His faithfulness!

### Honduras Family Camp

We had the joy of traveling to Latin America for the first time with our youngest daughter Celina and as a family of four. We had the opportunity to host a Family Camp for missionaries and pastors in Tegucigalpa, Honduras. This year, we partnered with Precious Stones Biblical Counseling Ministries to

provide a direct and balanced teaching format to all age groups. The theme of the camp was, "As for Me and My House" from Joshua 24. We had some new pastors and churches attend the camp this year. Our team was able to help in different ministries over the weekend before the camp, and one of our highlights was to host a service for a new church plant in the city. We praise the Lord for allowing us to see souls saved and many decisions made during the services and teaching sessions. It was evident we saw the Lord at work edifying and encouraging His church.

### Deputation

One of the privileges of deputation is to present at churches during their Missions-Emphasis Months or Missions Conferences. Such was the case with Pastor Mark Pilger and the First Baptist Church of Winamac, Indiana. It was encouraging to see the vision of growing their missions giving that Pastor Pilger had for their church family. We also had the opportunity to be with Pastor Ben Gonzalez and the First Baptist Church of Goodrich, Michigan. God is at work in this ministry, and the Lord is using them to reach many in their community.

### Evangelist Training

We covet your prayers, as we are preparing to go back to the Dominican Republic to host another training with a few Haitian evangelist students. We are asking the Lord to guide us in partnering with this local church in the development and training of these men.

### Prayer Requests

1. Profitable meetings on our deputation journey
2. Open doors for Gospel work
3. Youth Rally in Brazil this June
4. Training session in the Dominican Republic

In Christ,
