MISSIONARIES TO EL SALVADOR

May 2025

Dear Praying Friends,

Thank you for your continued support and prayers. We had our Missions Conference, and it was a wonderful turnout. Our guest missionaries were Denis and Leanne Corena, who are going to the country of Chile. We are excited to see how God will use their family. Please keep them in prayer, as they are just starting out on deputation. We were also able to add more missionaries, making a total of 10 missionaries our church supports. Through your giving, you are reaching the uttermost parts of the world. Thank you for your faithfulness.

My wife had an appointment in the U.S. to check on our little girl. The anatomy scan went well, affirming that she is growing at the normal rate. We are having to schedule a fetal echocardiogram with a pediatric cardiologist. My wife was able to see a specialist in El Salvador and also visit with a pediatrician, and both advised us to go back to the U.S. for delivery. There are not many pediatric specialists here, so if something were to be wrong, it would be very difficult to care for our daughter.

With that being said, we have made the decision to have our baby in North Carolina. It is best for the health of my wife and daughter that they get the best care needed. If someone has a car they would be willing to let us borrow or purchase for the three months we will be in the U.S., please let us know. We will be arriving in mid-July and returning to El Salvador at the beginning of October. We would need a car to get us back and forth to doctors' visits and also to visit churches in the surrounding area. Please pray that we will be able to plan accordingly. We know God will take care of it all.

Missions Conference

This last Wednesday, I was able to lead Ana to the Lord while out soul winning. She said she attended a Pentecostal church in the area and believed she was not going to Heaven because she was not living right. I was able to show her the truth about salvation, and she gratefully prayed and asked Jesus for salvation!

Thank you for your continued support and prayers.
