

FIRST BAPTIST CHURCH OF
NAWONG
คริสตจักรเฟิร์สแบพติสตันาวง

May 2025

Friends,

Thank you for taking the time to read this prayer letter. Please pray for June 1. We were supposed to sign the contract for our new building last week, but the contract had errors and needed lawyers to fix a few things. The final contract signing and the first payment will need to be paid on June 1.

Please pray that we can have the support to pay the payments each month and fix it up. Our current building seats 100, and this new building will seat close to 1,000. It is a beautiful building on the corner of the main road. Please pray for the next 15 days as we raise the money for the fixing up of the building and the money we need to buy it.

God has been blessing our classes and services here in Nawong. We have teens taking turns preaching every Saturday night. Tonight, one of our teens preached about love and did a great job.

Thank you for being a part of our ministries here in Bangkok, Thailand.
