## Dear Pastor and Church,

*Greetings from the deputation trail. It has been a wonderful past two months. We stayed busy traveling. We picked up new supporters along the way. We saw God provide our needs.*

On March 10, we were coming back from Virginia from our meetings, and we noticed our transmission was leaking fluid. Thankfully, we made it home safely. However, we had to put our vehicle in for service for a new transmission. God provided a rental vehicle for the next eighteen days for us to travel to our meetings; plus, He took care of our repair cost.

In the month of March alone, we were blessed to be in five different states.

In April, we did not travel much. However, we used that opportunity to spend time with family and for our daughter Alaina to catch up with her schoolwork.

We are grateful for the things we have learned, Christians we have met, churches we have visited, and the opportunities we've had to share the Gospel and pass out tracts while traveling since we started back in September 2024. Above all, seeing God at work is so amazing and truly blessed our hearts.

One of the highlights in the past couple of months was when I took my family between our meetings in Virginia to pay a visit to Bro. & Mrs. Kenneth (Charleen) Jenkins, former BIMl missionaries who were instrumental in starting Lighthouse Baptist Church in Papua New Guinea over forty years ago. This is the church where I got saved and was called to preach as a young teenager in 2005.

Thus far, we have meetings lined up through end of this year. However, we have a few openings that we still would like to fill up.

Below are a few prayer pointers for which you could help us pray:

1. Health and safety on the road
2. Raise all of our support in a timely manner
3. Open the door to purchase land in Papua New Guinea

Our next update will be in July. We appreciate your continued prayers and partnership in the Gospel ministry. We cannot do what God has called us to do without your support. For that, we are forever grateful.

Because of Calvary,
