

THE STALNAKERS

to Nicaragua

March-April 2025

Greetings from the Deputation Trail!

The past two months have been a whirlwind of travel and meetings, and we're grateful to report that our family is doing well. It has been a little bit since our last update—thank you for your patience and continued support. Going forward, we plan to send out prayer letters every other month. We hope you enjoy this brief report on our recent deputation travels.

During the months of March and April, we had the opportunity to present our ministry in twenty-one churches, including five Missions Conferences. Our travels took us from New Mexico and Arizona to North Carolina, Alabama, Florida, and West Virginia. The busiest stretch came in mid-March, when we participated in three Missions Conferences back to back—two in North Carolina and one in Alabama. During this time, our family also experienced a bout of illness, but we are thankful that we didn't have to cancel any meetings. While in Florida, we were able to visit one of our supporting churches and report—Lighthouse Bible Baptist Church, pastored by my uncle, Mark Stalnaker. It was a special blessing to be with them again, as this was the very first church where we presented our ministry when we began deputation back in August of last year.

In March, we were blessed with the unique opportunity to participate in a Round-Robin Missions Conference. While we had heard of these types of conferences before, this was our first time experiencing it firsthand. Over four days, we presented our ministry in five different churches, each one a joy to visit. Throughout the week, we were able to be involved in children's classes, preach a school chapel, and go soul winning with one of the churches. By conference end, we were worn out, but in the best way. A heartfelt thank you to Pastor Jay Sheppard, his family, and Tri-City Baptist Church for inviting us and for their warm hospitality.

Thank you for your prayers and support. We are so thankful to partner with you to reach Nicaraguans with the Gospel of Christ.

Till next time,

The Stalnaker Family
