

May 2025

Dear Friends and Supporters,

We are so grateful to have you as part of the *Pure Water for All* family. Your support encourages us to continue bringing clean, life-changing water—and the message of hope—to communities around the world. Here's a look at what your generosity has helped accomplish this past month.

### Life-Changing Mission in Lima, Peru

This month, our team, joined by a dedicated preacher, traveled across eight villages in Lima, Peru, spreading both clean water and the Gospel. In addition to visiting these remote areas, we were able to make meaningful stops at one hospital, two medical centers, five schools, and a local market. We also had the honor of equipping three local pastors and two mayors with water systems, empowering their leadership to better serve their communities. The greatest joy of all—**72 individuals accepted Christ as their personal Saviour**, including three doctors and one nurse! What an incredible reminder that our mission is not only to quench physical thirst but to reach spiritual hearts.

### Impact in Liberia

Our work also extended to Liberia, where we provided pure-water systems to military leaders—opening a path for cleaner water access in their regions. In a noble act of commitment, leaders from surrounding villages walked miles on foot to receive systems for their villages. This moment was a powerful testimony of the value clean water holds for these villages and the determination of local leaders to provide for their people.

### Thank You

These victories are only possible because of your continued support, prayers, and generosity. Each system distributed, each life touched, and each heart transformed reflects the impact you're making through this ministry.

John Hays and *The Pure Water for All Foundation Team*
