## A Word from Our Nationals

April 2025

### **Pastor Samson**

*Lolgorien Region*

While out visiting church members this month, I was able to see one person get saved! This month we also had a joined service with two other churches. Through that service, we witnessed three new people receive Jesus Christ as their Saviour. Also, starting in August, we will have three churches coming together on Wednesdays for a seminar to teach through the constitution we are adopting from Bro. Peter and Bro. Brandon.

I have an ongoing project with the church building. We are currently building the caretaker's house. Then we will start constructing the toilets.

We have a lot we need to do to serve the Lord concerning soul winning. Thus, we agreed with Pastor John Kirui to start meeting twice a month for training classes to teach our members how to become more effective in leading others to Christ. We will meet at the church in Ilaburr during the second week of every month and at the church in Sitet at the end of every month.

I am happy to report that our church is doing well. We thank God that we are continuing on in the ministry. First, this last month, I was blessed to see two people receive Jesus as their Saviour!

Second, on a Tuesday this month, we had a meeting and voted to start a Bible study, beginning in August, with another church from our area. Please pray with us as we start this new Bible study.
