## Personal Testimony

April 2025

Before I did not know about God and the church, but one day I understood about knowing God and church. My friends told me to go to church with them. I used to believe that doing good works would take me to Heaven, only to realize that I was wrong.

First, in baptism we were taught that baptism is a symbol of the death, burial, and resurrection of Jesus Christ. In understanding salvation, God gave me a new life as a new human being and washed and sanctified me. When we sin, we are spiritually dead.

In the purpose of works, faith justified man in the eyes of God, while works justifies man in the eyes of men. We are saved by grace through faith and not of works.

I myself came to realize that neither works nor baptism will get us to Heaven but by believing in Jesus Christ ONLY as our way to Heaven.
