Dear Friends and Supporting Churches,

"Be strong and of a good courage" (Joshua 1:6)

We are always grateful to our Lord for His infinite goodness and also for your prayers and support. We thank God for preserving our health and estate and for the wonderful ministry that God has given us here in Guatemala. We are asking for your prayers and support for the following situations.

The work is prospering here in Cristo Rey and in San Jose Pinula, thank the Lord. With the growth in numbers in San Jose Pinula, we have outgrown our meeting place and are very much in need of a permanent meeting place of sufficient size for more growth. Our people are willing to save toward this important step of faith.

While we save and pray about the building in San Jose Pinula, we have a need for another vehicle to bring people to our Cristo Rey location. There is not enough space in our two vehicles, a pickup truck and a minivan, to bring the people to church. A good number of our people are recent converts and need to become rooted in Christ through faithful church attendance. They depend on us to transport them to church.

As mentioned above, our two great needs right now are a decent-sized piece of land (or building) in San Jose Pinula and a large vehicle for transporting people to church. Lord willing, my wife and I will be visiting the USA at this end of this month to present these needs in churches. Lord willing, we will see many of you then.

Thank you for keeping us in your prayers.
