

PASTOR'S PRACTICAL TRAINING ACADEMY (PPTA)

May / June 2025

Isaac **Bungoma Region**

I've been teaching our church members the importance of soul winning and how to lead others through the Gospel. They have seen how much I've improved in my soul winning from what I've learned and applied from the PPTA school. Due to this, the church members have been very interested in learning how to lead others as well!

David **Kuria Region**

I thank God, for there was one person this past month that was very hardened to the Gospel; but through active soul winning, the individual came to place their trust in Christ!

Felix **Kuria Region**

I have seen a great change in my church since starting the PPTA program. Our church members are really growing in truth from God's Word now!

Zablon **Kisii Region**

From what I have learned in soul winning from the PPTA program, I have been now teaching the members of our church. Our people have now seen spiritual growth in our church and souls being saved.

Nahason **Kisii Region**

I thank God that from the soul winning program in PPTA I have been able to take what I have learned and witnessed seven people put their trust in Christ alone this past month, and three of them have come forward for baptism.
