FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Friends and Supporting Churches,

We thank you once more for your continued love and support of our ministry through your faithful prayers and financial giving. We have had a busy season, with many open doors for Gospel work!

Evangelist Training – It was a joy to have our second training session with Missionary Biz Lерisse and our Haitian brothers and sisters in Christ. We had the privilege to partner with Evangelist Scott Pauley and his ministry. During our time in Bani, the Lord allowed us to see 10 people make a public profession of faith in Christ. After training, one of the student evangelists had the opportunity to return to Haiti. During his time there, he was able to lead several to Christ. We covet your prayers for the Lord's guidance and wisdom and for the raising of funds as we endeavor to be a blessing to these Haitian men called to serve in full-time evangelism.

Deputation – We had the opportunity to present our ministry with Pastor Diaz at Cornerstone Baptist Church in Anaheim, California; Pastor Sigala at First Baptist Church in Commerce, California; and Pastor Jordan at Black River Baptist Church in Black River Falls, Wisconsin.

Brazil Youth Rally – The Lord gave us the opportunity to host a Youth Rally in Taubaté, Brazil, with Missionary Ed Johnson and his amazing church leadership team. It was evident from the start that God helped us and our group of 18 volunteers to accomplish this work. The Lord allowed us to see 30-plus professions of faith during the week and 20-plus visitors attend the church. God continues to answer our prayers, as the church family in Brazil has been seeing several of the visitors return to the church services after our departure. We praise the Lord for the fruit that remains!

Prayer Requests:

1. Open doors for Gospel work
2. Wisdom in allocating our time and resources
3. Need for \$8,500 for our Haitian Evangelist Gospel Project
4. Men called to serve as evangelists in Latin America

In Christ,

Caleb Amoros

Missionary Evangelist
