

June 2025

Dear Praying Friends and Faithful Supporters,

At the end of April, I spoke for Dr. S.C. Schearer and Heritage Baptist Church in Great Falls, Montana. Bro. Schearer has been a very close friend and faithful supporter for 23 years. Praise God for allowing us to be a blessing to them in their annual Missions Conference.

Since 2014, I have financially helped Pastor T.L. P___ in Myanmar. He has been faithful to minister to his church flock through tremendous personal hardships and persecution. He is approaching his annual rent obligation of \$1,800. In the past, I have always been able to help him get this paid. This year, I am unable to help him. Please pray about and consider giving to help meet this need before he is forced to give up his house and church meeting place.

Here is an update from Pastor Israel and the Mangyan Tribes:

I recently reached out to a friend who owns a 22-hectare property near the original location. Praise God, without any hesitation, she agreed to donate a portion of her land for the proposed tribal community. I shared with her the vision of building a church at the center of the community, and she gladly supported the idea. The land has been idle for years, and they have been looking for someone who could cultivate and utilize it—a perfect opportunity for the community to thrive through both spiritual growth and livelihood development.

We are now working on the legal documents for the donation. The next step will be to secure the necessary government permits and eventually establish a foundation for the tribal community. We're still in the proposal phase, but I am praying earnestly that the Lord will bless and allow everything to come to pass. Please continue to pray, Pastor, that this will be the place where we can finally gather the tribal people and establish a center for training new tribal preachers.

If he obtains the land, we will be trying to raise \$20,000 to help build a church there. Please pray that this all comes together.

Thank you for your continued financial support and prayers.

Charlie Vest
