

# Daniel & Erin LANG

Your Missionaries to Nigeria

August 2025

Dear Prayer Partners,

Much has happened since our last prayer letter. Our visa appointment for Juliet went very well! Though it took longer than we had originally anticipated, and we had to change our flight plans, we are now back in Nigeria! We are praising God for how He orchestrated everything in His timing!

Shortly after arriving, we had the opportunity to host my friend, Gerardo Pineda, for a visit. He was able to be with us for about eight days. We loved being able to show him many of the different areas of the ministries here. We were able to visit and be a blessing to a local orphanage, visit and minister to the people at the City of Refuge, see some of our church members in their homes, and go out and preach the Gospel around the area of the church. He also had the opportunity to preach in our church and be a part of our "Who Will Go?" Youth Conference!

July 17-19, I was able to be a part of our 9<sup>th</sup> "Who Will Go?" Youth Conference! Since 2023, I've partnered with local national pastors and other missionaries to be able to have these conferences where the preaching and teaching is focused mainly on reaching the entire world with the Gospel! Each year, we've held 3 different conferences in 3 different parts of the country. This year, the third conference was held right here in Abuja. In total, around 300 young people attended the 3 conferences, with many surrendering their lives to do whatever God would want them to do. We currently have multiple students in the Bible college who decided to come during one of the previous conferences. God is good!

Throughout our furlough, we were able to raise \$15,635 towards the church building projects. Thank you to those who have given and prayed for this need! Lord willing, we will begin one of the buildings in the next few weeks. Please pray that the remaining money would be raised toward our goal of \$25,000.

During the first weekend of September, I will be traveling to Abakaliki to help with an institute graduation. It was one of the first institutes that I helped to start in 2022. We will also be hosting a "Bible Club Sunday" at our church during the last weekend of September. We will invite parents of all the local Bible Clubs to come to church that day. Please pray that souls would be saved and that God would get the glory during each of these events!

Thank you for your prayers! We know that it takes folks like you to send folks like us!

In His service,

Daniel, Erin, Ezekiel, Gianna, and Juliet Lang
