Missionary #6501 has spent most of his life on the foreign field. He has made many visits to the U.S., but other than his years teaching at Hyles-Anderson College, he has never had a furlough beyond a few weeks. He is currently planning to spend October 2025 through January 2026 taking meetings.

- Perhaps you have supported him for years and want him to report.
- Perhaps you are interested in what God is doing in the Muslim world.
- Perhaps you want to learn more about *Study the Word International*.
- Perhaps you simply want your people to hear his passionate preaching.
- Perhaps you want to donate to Team Eurasia’s Building Fund, but wish to know more.

Whatever your reason, if you are interested in having our team leader in your church during the above-mentioned four-month window, please contact him at your earliest convenience at [mabwgm@protonmail.com](mailto:mabwgm@protonmail.com). Please reply promptly, as we expect his itinerary to fill quickly.
