

June / July 2025

Dear Friends,

Thank you for your prayers and financial support!

### Converts and Disciples

I thank the Lord that He allowed me to lead 14 people to Christ through personal soul winning in the months of June and July. The fields are ripe unto harvest!

A few months ago, I was able to lead Dominic Owusu, a man who visited my Sunday school class, to Christ. He has been coming to church regularly but was hesitant to get baptized. A few weeks ago, he came to me to tell me he was ready to get baptized, and on July 27, he followed the Lord in baptism!

### School Preaching

**School-Ministry Workers**

We then did one-on-one confirmation with the students to make sure they understood the Gospel and had trusted in Christ. It was a blessing to have 22 students from my class testify that they had trusted Christ through my preaching or through the salvation booklet! Please pray for the door to remain open here for us to preach in the schools. Also, please pray for more laborers for this fruitful ministry.

### University Ministry

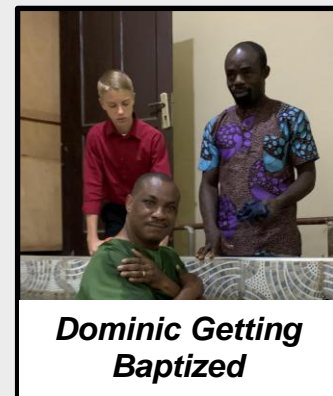

We continue to go soul winning each week at a nearby university. We are planning to start meeting early Sunday morning each week on the campus to help our converts to grow in the Lord. Please pray for us to have wisdom to help the students become fruitful disciples of Christ. I was contacted last week by Oheneba, one of my converts who is a student at the university. He asked me if I could teach him how to evangelize. I was thrilled! He joined us for soul winning this past Saturday and was able to observe me lead a student to Christ. He is planning to join us for soul winning each week. Please pray for him to become an effective soul winner.

### Pastors' and Workers' Conference

We are preparing for our annual Pastors' and Workers' Conference that will be held August 12-15. We are expecting several hundred people to attend the conference this year. Dr. Mark Bosje, our sending church's missions director, is coming to be our keynote speaker. Please pray for God to work mightily and for us to help God's servants to be better equipped and more effective in reaching souls for Christ.

In Christ,

Charles, Lindsey, Josiah, and Lily Osgood
