FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Prayer Friends,

All the time, God is good! We praise the Lord that He allows us to serve Him. Our daughter, Katie Rodriguez, gave birth to our first granddaughter, Summer Joy, on July 15, 2025, weighing 8 pounds 9 ounces and 21 inches long. She is a healthy baby, and mom is recovering well. **Please pray** for Summer and her two-year-old brother Connor to get saved at an early age and serve our Lord Jesus Christ.

FBMI Candidate School was held in June, and God allowed us here at FBC to recently commission two couples and four individuals as new missionaries. FBMI Missions University was fantastic and is held each year the same week as our Youth Conference so the missionaries can bring their teens to the conference. Thank you for your prayers.

Opening Day here at Hyles-Anderson College is this week! We are so excited about what God is doing and is going to do through the students that God brings as an answer to prayer as we pray for laborers. What a privilege it is to teach Bible and missions classes once again this year! **Please pray** that God uses us!

Psalms 116:15 says, "*Precious in the sight of the LORD is the death of his saints.*" We thank God for Heaven. **Please pray** for the family of Dr. Darrell Moore in his Homegoing. He was my college teacher, dating counselor, bus division leader, boss as I worked in the dorms, and the director of FBMI when we were in Peru. He also was the tool God used to allow me to serve as a Field Services Coordinator and teach here at Hyles-Anderson College.

My mother-in-law had been struggling with her health recently and took a turn for the worse. My wife was able to fly down to Mexico to see her, but my mother-in-law passed away two hours after my wife got there. Her funeral was the next day. My wife is still caring for the details there and hopes to get back home soon. **Please pray** for our family in her Homegoing. Thank you for your prayers for my dad. We are caring for him, and he is stable.

God has allowed me to witness to scores of people since our last letter, and several have trusted Christ as Saviour. This season, we have helped missionaries on furlough and several missionaries with difficult situations on the field. Thank you for your prayers and financial support as we try to help those who are on the field stay there and continue training those headed to the field.

For His glory,

Jeremy Snipes

FBMI Field Services Coordinator for Africa and Europe
