October 2025

Greetings from Ghana!

Thank you so much for your love, prayers, and support!

What a mighty God we serve! This month, I was able to see 7 individuals trust in Jesus to take them to Heaven when they die. Praise Jesus! I was also able to meet a man named Richard who has shown interest in church but has not yet come to church. Please pray that he will come to church and be open to hearing the Gospel message.

The school started on September 9, and I have been able to help in several of the classrooms. It has been amazing to see the passion of some of these teachers in training the next generation. An amazing thing about the school is that it is known in the area to produce high education and thus has opened the door for many, who would never come to church, to bring their children here. I was helping in the office while a meeting with a Muslim parent was taking place. This school opens the door of the Gospel to the Muslim community that would have otherwise been closed. Praise Jesus!

I was also able to host a few of the ladies who work in the school at my house for fun and games. What a blessing it was to share that time with them! I am amazed over and over again by the love and dedication of the people here and their determination and courage to share the Gospel with their community.

I have been able to hear some of the testimonies of these wonderful people, and it was the result of others who felt the love and grace of God on their lives that impacted others . . . and the cycle continues. It all goes back to the love God had for the world.

Thank you again for all of your love, prayers, and support!

Only by God's grace,

Abigail Lenze
