

THE HESELSCHWERDT FAMILY

MISSIONARIES TO EAST AFRICA

A Word from Our Nationals

July/August 2025

Pastor Wycliffe
Ndhiwa Region

We are thankful for what God is doing here at Bongo Baptist Church. Several of the church members and I now go out on different days of the week for visitation and soul winning. Over time, we have seen others come to believe on Christ alone, and some of these have continued on in discipleship and growing as strong church members.

The church is a long distance from where I live. Also, where I live with my family, there also is no Gospel-preaching church. So, I have started two different Bible studies near my home. One consists of my family within my home. When we first started, it was just our immediate family members, but over time, we have grown to a small group of believers from all around our home! The second Bible study is closer to the main road near town, and I have been encouraged to see this grow to a small faithful group of new believers as well. Please pray for me as I seek wisdom to combine these two Bible study groups into one group in the possible future. Also, pray that God will allow these two groups to grow spiritually into one new church plant near my home area and in a new area that does not have anyone preaching the true Gospel!

We thank God for His grace and mercy here in the Ndhiwa Region of Kenya. Please continue to pray for us here as we seek to reach souls for Christ and see Gospel-preaching churches planted.
