MISSIONARIES TO EAST AFRICA

Personal Testimony

July/August 2025

It has been such a long and difficult time since I have received/accepted the Word of God. There are many of my family members that have rejected me for accepting and following Jesus Christ. I decided to believe, and I have started studying to know the Word of God. This has led to me knowing the Word, and some of the benefits that have come from the Word are knowing that kindness and love of God and that He has given me eternal life.

After I have come to realize how Jesus is so kind to me, I have now taken that opportunity to worship and trust in Him. Nothing is enjoyable like knowing and accepting the good news that has been given us by the Messiah. Believing in Jesus Christ gives me more wisdom and being so courageous in times of temptation.

Through faithfulness, God has strengthened me more to accept His Word only by faith and believing these are the words that give me a hope in Jesus Christ.
