

Anna Long
MISSIONARY TO THAILAND

July – September 2025

Hello Friends!

July and August:

Summertime was a bit slow for me, but I took the opportunity to visit several local churches in the area. It was a good time to meet pastors and make connections.

September:

I was able to present my ministry in the states of Ohio, Michigan, Pennsylvania, Kentucky, and South Carolina. During those times, I got to be a part of two Missions Conferences, both of which were a blessing. While in the state of Kentucky, I had the opportunity to teach a junior class of 50-plus kids! It was definitely a great experience for me, and I was excited to be a part of that class.

When I am not traveling, I do my best to ride my bus route back home. One of the weeks I got to ride, I had the opportunity to witness to Gabby, one of the bus riders. She had heard the Gospel before but had never asked Jesus to save her. I am so grateful she got saved and got that settled!

Prayer Request:

While traveling this year, I was still working full-time back in Kentucky. The Lord has given me direction about quitting that job and doing deputation full-time. I am excited for the next step and know that the Lord will supply my needs. Please pray for my finances and my changeover of health insurance.

Thank you for your prayers and support!
