September 2025

Pastor Antony

This month, I have seen great things that the Lord has done in my ministry because of starting soul winning and because of the teaching from PPTA! We have also witnessed a growth in our church from reaching souls with the Word of God and teaching them.

We thank God that, through faithfully serving Him, we have witnessed one more person come forward to be added to the church this month and have witnessed another individual come to Christ through soul winning.

Pastor Geoffrey M

We have seen a great improvement in our ministry since attending PPTA. Our church is growing spiritually, and we have seen more souls come to Christ from our soul winning.

Pastor Hezborn

The church and I have gone out several times for soul winning, and from this, we have seen spiritual and physical growth.

Pastor Jackson
Kisii Region

Since joining the PPTA program, I have come to understand the Word of God much clearer and have been applying what I have learned to my life. I've been teaching the Biblical truths I've learned, and now I have seen much growth in our church members as well.

This month, I have spent much time out soul winning with the “Stop” tracts we received from PPTA. I have learned that it is an excellent tool for sharing the Gospel with others. From this, we have seen souls turning to Christ.

Pastor Thomas N

Kisii Region

Blessed be the Lord, for He is faithful in our ministry. We are expanding as a church. More souls have been enlightened through the Word of God from the teaching we have learned from PPTA.

Pastor Willis

Kisii Region

One thing this month that I've learned from PPTA and that has helped me is the management of my time. I have really learned how to balance personal devotions and prayer time, as well as soul winning and discipleship.
