Personal Testimony

September 2025

I was thinking that praying and stop sinning could make me go to Heaven, but in church I learned that believing in Christ alone is what I must do to go to Heaven. Now I see that to go to Heaven is by believing in Jesus alone. We cannot save ourselves, nor can our works make us to go to Heaven.

I like praying, going to church, and helping others. But being kind to others cannot save us, not even doing good things. God loves us, and when we do sin, we will be punished by God by going to the Lake of Fire. Therefore, I thought I could stop sinning, but I know now that I can't stop sinning, so I believe in God only. That is my testimony.

I love God because He has created me. I love God.
