MISSIONARIES TO MEXICO

October 14, 2025

Dear Pastors, Supporting Churches, and Praying Friends,

It has been amazing to see the Lord work in Guerrero in the last two months! He deserves all of the glory. It is your prayers and support that are largely responsible. We also thank the Lord for the faithful and tireless workers He has given us, much better than I deserve. One such worker is Nancy Gamez. Guerrero was her second campaign—soul winning all day six days a week, doing discipleships, teaching classes, serving everywhere, and always with an excellent spirit. She is a licensed public-school teacher and could be making a lot of money with benefits, but she wants to serve the Lord.

What a blessing it has been to get to know the indigenous Mixtec people of Guerrero. With a world view that is quite different from the usual Judeo-Christian one, and although they do not speak much Spanish and are not usually open to new ideas, they were very friendly with us. With the little time we were able to be with them, by the grace of God, we were able to make sure many of them clearly understood the principles of the Gospel. There were 33 visitors who came to the 1<sup>st</sup> Anniversary Service of the church there. It was a bold statement of their desire to be Christians. What a blessing it was to hear them sing, "I Have Decided to Follow Jesus"!

In the well-established church in the town where they do speak Spanish, the Lord also worked greatly! With much less time than usual to go soul winning and do discipleships, the Lord gave us 58 first-time or first-time-in-a-long-time visitors, and 5 families have become faithful and are growing in grace. It was wonderful also to teach several weeks on soul winning.
