Dear Praying Friends and Supporters,

Each One Reach One: It's always encouraging when one of our faithful members introduces me to their loved ones. I have found that this is a great way to witness to their lost relatives!

Luis introduced me to his new girlfriend. She accepted Christ as her personal Saviour during the second discipleship meeting.

A young man from Venezuela named Alejandro has been coming for over six months now. I had tried witnessing to him in the past. Just recently, he raised his hand for salvation during the invitation. I had the opportunity to lead him to the Lord!

Sara is very faithful and is very far in her discipleship. She brings her grandkids to church every Sunday and has worked to invite her family members. She recently brought Paula, who accepted Christ.

Eldyma and Ana are related to a Venezuelan man who comes faithfully. He recently brought them to church. Christa led them both to the Lord after the service!

Daniel and his family started coming earlier this year. They have been a huge blessing to us and have brought a number of visitors. Daniel recently brought a young man named Josué to church. While Josué hasn't accepted Christ yet, he is interested in the things of God. Please pray for his salvation. Daniel and his family were going to a different church (not Baptist), as well as ours, but he recently told me that he decided to make our church his church home.

Spring Campaign: It is spring here in Uruguay! I am praying and asking God to bring more visitors this spring. We recently started a new sermon series on October 19. We printed invitations and shared it on social media. Our goal is to put the invitations in every home in our neighborhood. I encouraged our people to invite others. We praise the Lord for some early fruit we've already begun to see as a result! We've had multiple visitors in church, and several who had stopped coming have returned! One of the ones who has returned is Alicia. I recently led her and her son to the Lord. I have many prospects to follow up on as well. Please pray for God to bring visitors and for souls to be saved during this Spring Campaign.

Thank you for giving and praying! We love you all so much.
