Dear Friends and Supporting Churches:

*“ . . . so stand fast in the Lord . . . . ”* (Philippians 4:1)

We hope this letter finds you doing well in the Lord, as we also are. Thank you for your continued interest and support for what we are doing in Guatemala.

The Lord has opened yet another door for us where the need is truly great. This opportunity is located in the area of El Petén, Guatemala, which is about 350 kilometers north from where we are. Some of you may remember my having helped a brother, Pastor Carlos Calles, start a new Baptist church in Rio Negro, Morales, Izabal, some years ago. Since that time, Bro. Calles has done some pioneering missionary activity in this area of El Petén and asked my help to see about starting a Baptist church there.

We took a team there last month and saw good results, with 150 saved in the schools and elsewhere, one of whom was a medical doctor. Others were saved during soul winning and at the preaching service we held at one place in the area called San Roman, Sayaxché, El Petén. We saw a good attendance at the meeting, and I have decided to invest in this opportunity with labor, resources, and people from our church.

Please pray about this new open door. Later this month, we expect to have a big day at two proposed sites belonging to this new work, one in San Roman and another in a place called La Soledad.

We thank you also for your ongoing prayers for a piece of land in San José Pinula and for a new reliable vehicle for transportation.

We wish all of you a happy holiday season and new year.

Sincerely,

Angel and Noemi Lopez  
Guatemala
