

THE STALNAKERS

to Nicaragua

September–October 2025

We're thrilled to share some exciting news! In our last update, we announced that Tiffany was expecting, and shortly afterward, we found out, to our surprise, that she's expecting *twins*! Once the shock wore off, our excitement began to grow, and we're now eagerly anticipating the arrival of our two boys. **We would greatly appreciate your continued prayers for Tiffany's health and strength as we finish out our travel schedule.** We're thankful she has felt well enough to continue to travel these last few months. **Please also pray for our twin sons—that the remainder of the pregnancy and their delivery will be healthy and without complication.** We praise the Lord for this special blessing!

Busy Months on the Road | *a full schedule*

The past two months have certainly been a whirlwind! Our travels took us to 13 different meetings across 10 states, including a quick trip to North Carolina for my older sister's wedding. Along the way, we had the privilege of being part of seven Missions Conferences.

We're so thankful for the Lord's protection on the road and for blessing us with such a full schedule. During September and October, we spent 30 of the 61 days in church services, whether at a Missions Conference or a one-day meeting. It's been a real blessing to meet so many kind and encouraging pastors and churches.

A Special Reunion | *a familiar face*

While in California for a Missions Conference at North Valley Baptist Church, we had the wonderful opportunity to reconnect with Victoria, a young lady Tiffany led to the Lord last year during a meeting at another church in California. She's now a freshman at Golden State Baptist College, and it was such an encouragement to see her growing in her faith and eager to serve the Lord.

Thankful for Dirty Diapers | *a soul-winning opportunity*

No one usually thanks the Lord for dirty diapers, but I sure did that day! On one of the few times we were home recently, our family went shopping for the kids. While Tiffany was browsing, Darcy needed a diaper change, so I took her out to the van.

As I finished up, I noticed a man sitting in the car next to ours and handed him a Gospel tract. That simple act opened the door for a Gospel conversation, and before long, Alvin bowed his head and trusted Christ as his Saviour. Praise the Lord for how He can use even a dirty diaper for His glory!

We have just a few more meetings before wrapping up deputation for the year. **Thank you for your faithful prayers and support—your partnership means so much to our family as we continue preparing for the field.**

Till next time,
The Stalnak Family
