## THANK YOU

Thank you for being a faithful supporter of Pure Water for All Foundation. Our mission is not only to provide clean water but also to share the Living Water of Jesus Christ with those in need. In Pakistan alone over the past two months, nearly 500 people have accepted Christ, and 13 new churches have been planted. None of this would be possible without your prayers and generosity. Your donations truly make a difference and are changing lives for eternity.

## AFRICA PROJECT

We are excited to be sending 200 water systems to Africa, bringing clean water to villages in desperate need. Please continue to pray for our efforts so that even more villages can experience health through safe water. This project will impact thousands of families, helping children stay in school and reducing sickness caused by dirty water. Together, with your prayers and support, we can see entire villages transformed for generations to come.

## PRAYER REQUEST

Pakistan is facing devastating floods from heavy monsoon rain, leaving nearly 1,000 dead, thousands displaced, and entire communities destroyed. Families are struggling with contaminated water, food shortages, and disease outbreaks like cholera and malaria. Urgent help is needed for clean water, medical care, shelter, and food. Please pray for Pure Water as we do as much as we can to help these people.

His water boy,

John Hays
